

AN INSIGHT

Grantway Capital is a leading Investment and Asset management firm

Our innovative investment platform includes diversified funds focused on Various Financial Assets

Over the years our active management approach and relationship-based business have generated attractive returns for investors.

As value-oriented investment managers, we focus on less efficient aspects of our target markets believing that this is the best way to deliver attractive risk-adjusted returns for our investors.

WHO WE ARE

Grantway Capital is a high performing alternative investment firm that provides investors with access to unique investment opportunities within the Financial Markets.

We specialize in Trading and Investing in Digital Assets along with a diverse array of financial assets that are usually inaccessible to individuals

Our clients include brokers, fund managers and trading companies as well as private investors.

WE PROVIDE A BETTER WAY

A way that allows you to participate in worldwide markets, without the complications, while investing the amounts you choose to invest.

We enable individual investors to capitalize on a wide-array of investment opportunities they would not have access to due to monetary reasons and unfamiliarity with just how to invest.

In other words, we make it easy for anyone to be involved with a wide array of previously inaccessible

WHAT MAKES US UNIQUE

- Our network of deep relationships
- Our entrepreneurial, nimble, and flexible approach
- Our breadth and diversity of experience and perspective
- Our strong reputation for integrity

OUR VISION

We are committed to being a high integrity, deeply connected, relationship-driven investment firm generating high and consistent returns.

OUR PURPOSE

To build great businesses, and in doing so, to create great investment opportunities.

WHAT WE VALUE:

- **Integrity:**

We uphold the highest standards of ethics and professionalism in our dealings with our clients, colleagues and other stakeholders.

- **Transparency:**

Open communication and accountability are critical in all aspects of our business dealings with clients.

- **Trusted Relationships:**

We believe in the importance of long term, trust-based relationships and that our clients help guide our business.

- **Team Work:**
People are our most important resource; having talented, diverse, committed individuals, working together collaboratively is fundamental to our success.
- **Entrepreneurship :**
Being self-starting and opportunistic are important ingredients in delivering value to our clients.
- **Innovation:**
By not limiting ourselves to traditional thinking, we have developed differentiated solutions to achieve the objectives for all of our stakeholders.
- **Independence:**
Edgepoint Global is employee-owned and independent ensuring that our clients receive unbiased advice based on their objectives and our breadth of experience.

HOW WE BUILD VALUE FOR INVESTORS:

Grantway Capital's investment platform is designed to complement and build value for investment portfolios by:

- Offering unique investments in private markets
- Providing portfolio diversification and attractive risk-adjusted returns
- Increasing access to alternative investments for different types of investors

WHY CHOOSE US:

We are inspired by our clients' needs

By listening to our clients' aspirations and understanding the challenges they face, we aim to create the strategies and funds that focus on delivering the specific outcomes they need.

We collaborate to innovate

Our global business acts as one team. By bringing together our knowledge, skill and creativity across major asset classes, disciplines and regions globally we can look to unearth great investment opportunities for our clients.

We believe in informed risk, effectively managed

We manage risk with discipline and rigor. By combining our extensive experience and unique insights, we reach an informed view on every decision throughout the whole investment process.

We are actively responsible investors

We promote sustainable business practices in global markets, encouraging greater transparency and better corporate governance. This helps us to reduce risk and strive to enhance the long-term value of our clients' investments.

CONCLUSION

Digital Assets is fast gaining prominence globally,
And everyone is enthusiastic about it.

However

A lot of people are unaware of the risks involved with
investing in Highly Volatile Digital Assets.

Millions of Dollars are lost daily because most people
fail to put risk management into consideration

Now being experts,

We ensure that we create a safe haven for our
investors by incorporating risk management
techniques into our investment practices.

So while we're offering you a platform to grow your
assets,

We ensure that the value of your investment is
preserved and also give valuable advise that help
you make better financial decisions.
